

SLIM CANOPY

LED Slim Canopy Light

Fudakin™ Slim Canopy Lights are essential for outdoor applications where overhead lighting is required. These light fixtures provide excellent coverage and are designed to withstand the severe challenges posed by weather and outdoor conditions. Fudakin™ Slim Canopy Lights can enhance the look of any outdoor retail environment or provide a safe and secure place for people to congregate.

FEATURES

- Outstanding optical design providing an efficient light source
- Anti-glare design during evening use enabling high safety rating
- Life span of more than 50,000 hours
- Enables recessed installation for a clean appearance
- Attractive styling and durability
- Polycarbonate optical lens with heat resistance
- Wide input voltage, AC120 – 277V
- Suitable for wet locations
- Three 1/2" threaded conduit and one 3/4" conduit entry points
- cULus and DLC certified
- Contains no mercury
- Corrosion resistant design

BENEFITS

- Saves up to 60% energy consumption compared to traditional lighting
- Easy installation
- Maintenance free
- High quality and reliability
- Even light distribution
- Long life

APPLICATIONS

- Widely used in parking structures, storage areas, shopping area walkways, entryways and low level security
