

TRACK LIGHTS

20W - 48W - 65W

Fudakin™ Track Lights are a must for every planned retrofit or new construction. With fixtures and bulbs that can range from 20W up to 65W, the Fudakin™ Track Light can replace any high output track head up to 150W, creating tremendous energy savings at an extremely affordable price.

FEATURES

- Outstanding optical design providing efficient light source
- Extruded aluminum with anodized surface treatment helps to create state-of-the-art heat sink
- High lumen output is idea for illuminating large spaces
- Attractive styling and durability
- Suitable for damp locations
- Wide input voltage, AC100 – 277V
- Available in 20W, 48W and 65W
- High luminous efficiency CREE LED
- cULus and DLC certified
- Available in 2700K – 5000K CCT
- Adjustable heads for multi-directional use
- Contains no mercury

BENEFITS

- Saves up to 60% energy consumption compared to traditional lighting
- Easy installation
- Maintenance free
- High quality and reliability
- Even light distribution with multiple beam angles
- Long life

APPLICATIONS

- As one of the most versatile light fixtures in the industry, track lights are highly utilized in retail stores, supermarkets and malls
- Also, many applications in exhibition halls, museums, galleries and display cases/cabinets

TRACK LIGHTS

20W - 48W - 65W
